DOUXO S3™ PYO

OPHYTRIUM 0.5%

CHLORHEXIDINE 3%

Soap, sulfate, paraben, phthalate, colorant and nanoparticle FREE

Leave-on for longer lasting action. Hypoallergenic fragrance, adjusted pH. Formulated and tested by veterinary dermatology experts.

ACTIVE INGREDIENT: Chlorhexidine Digluconate 3%, Ophytrium 0.5%

INACTIVE INGREDIENTS: Water, caprylyl/capryl glucoside, pentavitin® (saccharide isomerate), panthenol, coco+vanilla hypoallergenic fragrance, guar gum, caprylyl alcohol, decyl alcohol, glucose, citric acid, sodium hydroxide.

PROPERTIES: Chlorhexidine provides antiseptic cleansing and Ophytrium is a purified, natural ingredient from the **S3 - Safe Skincare Selection**. Ophytrium has been carefully selected for its high tolerance and simultaneous threefold action on the skin's ecosystem: • Helps support the skin's physical barrier for supple, hydrated skin • Helps support the microbial flora for healthy skin • Helps soothe irritated skin

INDICATIONS: For use on dogs with bacterial or fungal infections. Provides antiseptic cleansing while hydrating the skin. Detangles the fur and leaves the coat soft and shiny.

DIRECTIONS: Apply to a brushed, dry coat. First, gently massage onto the problem area until the mousse reaches the skin. Repeat this action all over the body, avoiding the eyes and mouth. Let air dry. Brush for a shiny coat. Wash hands after use. Use DOUXO® S3 PYO Shampoo to clean the skin if needed.

CAUTION: For external use on dogs only. Avoid contact with eyes. If eye contact occurs, rinse thoroughly and consult your veterinarian. If skin irritation occurs or increases, discontinue use and consult with your veterinarian. Keep out of reach of children.

Store at room temperature.
