

MALACETIC®

Shampoo, Spray Conditioner, Wet Wipes and Otic

- Shampoo and spray for dogs, cats and horses, wipes for dogs and cats
- Exclusive, patented acetic and boric acid formula
- Antimicrobial – for mild to moderate bacterial/fungal infections
- Degreasing
- Cleansing, drying
- Patented formulation

Indications

For support of healthy skin for animals with bacterial and/or fungal skin conditions.

Active Ingredients

2% acetic acid, 2% boric acid

Patented Acetic and Boric Acid based formulation provides these benefits:

- Cleansing, drying, acidifying, whitening
- Degreasing, deodorizing
- Balances skin surface pH making it unfavorable for the overgrowth of fungus/yeast
- Ceruminolytic, keratolytic, keratoplastic, and astringent actions¹

“The acetic/boric acid combination has a synergy giving it cidal activity.”²

Studies suggest that a 2% boric acid / 2% acetic acid shampoo has good antifungal activity with both a 5 and 10 minute contact time.³

“The combination 2% acetic and boric acid ear cleaning solution is an effective therapy for Malassezia sp. otitis.”⁴
