

Malaseb® FLUSH

A topical formulation containing Chlorhexidine Gluconate (0.2%) and Miconazole Nitrate (0.2%) for Dogs, Cats and Horses.

KEY INGREDIENTS: Miconazole base 0.174% w/v (equivalent to Miconazole Nitrate 0.2% w/v), Chlorhexidine Gluconate 0.2% w/v.

PRODUCT DESCRIPTION: Malaseb® Flush combines a unique water-based formulation of multifunctional surfactants for effective, gentle cleansing.

INDICATIONS: For dermatological conditions responsive to miconazole nitrate and chlorhexidine gluconate as recommended by your veterinarian.

DIRECTIONS: Apply Malaseb® Flush liberally to affected area. Use cotton or absorbent material to clean excess solution. **Do not allow animal to lick the treated areas until dry to prevent ingestion.** Wash hands after use. Apply twice daily or as directed by your veterinarian.

CAUTIONS: For topical use on dogs, cats and horses. Avoid contact with eyes and mucous membranes. If eye contact occurs or skin irritation develops, rinse thoroughly with water, discontinue use and consult your veterinarian. Safe use of the product in ears has not been evaluated.

STORAGE: Store at room temperature. Protect from freezing.

WARNING: Keep out of reach of children.

HOW SUPPLIED: 4 fl oz, 12 fl oz
