Additional Tips

Diffuser	Collar	Spray	Wipes
Plug diffusers in rooms where dog spends most of its time. Treats 500-750 sq. feet for 30 days.	Collar is activated by body heat. Collar will not work while wet, but begins working again when dry. Lasts for 30 days.	Perfect for spot treating areas to comfort. Apply spray 2x daily to area. Can spray furniture, bedding, collars, leashes, toys, crates, car interiors, etc. Spray lasts 4-5 hours.	Ideal for travel and spot treatment of hard surfaces. During car travel, re-apply every 4-5 hours.
