## **VETERICYN PLUS® ANTIMICROBIAL OPHTHALMIC GEL**

**Innovacyn**

**VETERINARIAN RECOMMENDED**

**An Antibiotic-Free Alternative for All Animals**

**manages eye irritations, eyelid inflammation, & tear stains**

**lubricates eyes, relieves allergy symptoms, itch & pain**

**Safe if licked or ingested**

**Use Vetericyn Plus® Antimicrobial Ophthalmic Gel to care for your pet's eyes from burning, stinging, and itching.**

**Manage eye irritations**

**Safe for all animals**

- Relieve itch & pain caused by severe eye irritants & allergies
- Moisten and lubricate eyes
- Reduce pink eye (conjunctivitis) symptoms
- Reduce eyelid inflammation
- Non-toxic, safe if licked or ingested
- Safe for all animals at all life stages

**Indications:** Use Vetericyn Plus® Antimicrobial Ophthalmic Gel to relieve eyes affected by burning, stinging, itching, pollutants and contaminants. Safe for use on all animal species.

**Directions for Use:** For best results flush affected eyes gently with Vetericyn Plus® Eye Wash before using Ophthalmic Gel. Apply Vetericyn Plus Ophthalmic Gel to eyes 2-3 times per day until condition is no longer visible. No rinsing necessary. Use with damaged corneas should be under veterinarian supervision.

**Use Precautions:** For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation develops and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. Safe if licked by animal. Will not stain and contains no harsh chemicals or dyes.

**Storage:** Store at room temperature away from direct sunlight and heat. Do not allow to freeze. Do not use after expiration date. After use, seal or close dispenser.

**Stability:** See Expiration Date

**Disposal:** No special disposal requirements. Vetericyn Plus is environmentally friendly.

**Ingredients: Active:** Hypochlorous Acid (0.010%) **Inactive:** Electrolyzed Water, Sodium Chloride, Sodium Hypochlorite, Lithium Magnesium Sodium Silicate, Sodium Bicarbonate, Phosphates, Sodium Sulfate

Innovacyn products are manufactured under strict quality guidelines of ISO 13485 and FDA QSR. Vetericyn Plus® products contain hypochlorous acid, a known antimicrobial, which serves as a preservative to inhibit the growth of microorganisms within the solution.

**Customers love Vetericyn products!**

**b: Authentic Reviews**

"My 8 year old Jack Russell Terrier actually sits still and lets me apply this to her eyes because it immediately makes them feel and look better. I have been using it on her for a couple of years, when her allergies make her eyes runny and irritated. I highly recommend it for dogs."
