## **VETERICYN PLUS<sup>®</sup> ANTIMICROBIAL WOUND & SKIN CARE SPRAY (ALL ANIMAL)**

**Innovacyn**

### **VETERINARIAN RECOMMENDED**

cuts | abrasions | sores | skin irritations

- Non-irritating & promotes healthy tissue
- Non-toxic, safe if licked or ingested
- Safe for use on all animal skin types at all life stages
- No alcohol, steroids or antibiotics

**Indications:** Vetericyn Plus<sup>®</sup> Antimicrobial Wound and Skin Care is intended for the management of wounds including skin abrasions, lacerations, irritations, cuts, burns and intact skin. Safe for all animal species.

**Storage:** Store at room temperature away from direct sunlight and heat. Thaw and shake contents before use if frozen. Do not use after expiration date. After use, seal or close dispenser.

**Stability:** See Expiration Date

**Disposal:** No special disposal requirements. Vetericyn Plus is environmentally friendly.

**Ingredients: Active:** Hypochlorous Acid (0.0120%) **Inactive:** Electrolyzed Water, Sodium Chloride, Phosphates, Sodium Hypochlorite

**Directions for Use:** Move excess hair from wound area. Clip if necessary. Adjust spray nozzle and saturate the affected area, flushing away any foreign debris. If dressing is required, saturate dressing with Vetericyn Plus Antimicrobial Wound & Skin Care Liquid or Antimicrobial Hydrogel at each dressing change. Repeat 3-4 times per day or as necessary. Faster healing is achieved when wounds are cleaned and maintained moist. No rinsing necessary. Safe for use around mouth, nose, ears, and eyes. For best results, use in conjunction with Vetericyn Plus Antimicrobial Hydrogel for proper protection and moisture balance during healing stages.

**Use Precautions:** For external use only, not for injection. Always consult with a veterinarian for systemic conditions. Discontinue use if irritation develops and contact your veterinarian. For animal use only, not for human use. Keep out of reach of children. Safe if licked by animal. Will not stain and contains no harsh chemicals or dyes.

Innovacyn products are manufactured under strict quality guidelines of ISO 13485 and FDA QSR. Vetericyn Plus liquid formula contains Hypochlorous Acid, a known antimicrobial, which serves as a preservative to inhibit the growth of microorganisms in the solution.
